1. INTRODUCTION AND CONSENT			
Hello, my name is _____, I work for _____(Name the agency)			
Thank you for the opportunity to speak with you. . We are conducting a survey with randomly selected Households covered by the project. We would like to ask you some questions to learn about your experience with our Livestock distribution. We intend to use the information to identify areas of improvement for our programming. The survey will take about 15-20 minutes to complete. Your participation is voluntary and you can choose to stop at any time or skip any questions you do not want to answer. There will be no compensation for participating in this survey. If you do not agree to participate, it will not affect your status in the program or the services you are currently receiving. Any personal information that you share will be kept confidential. We intend to share the resulting analysis with our donors and partners to help			

improve programs. Do you have any questions? **Note: Pause to answer any respondent questions. **
